

Project Management Tool

User Manual

Admin:

1. Create Superuser

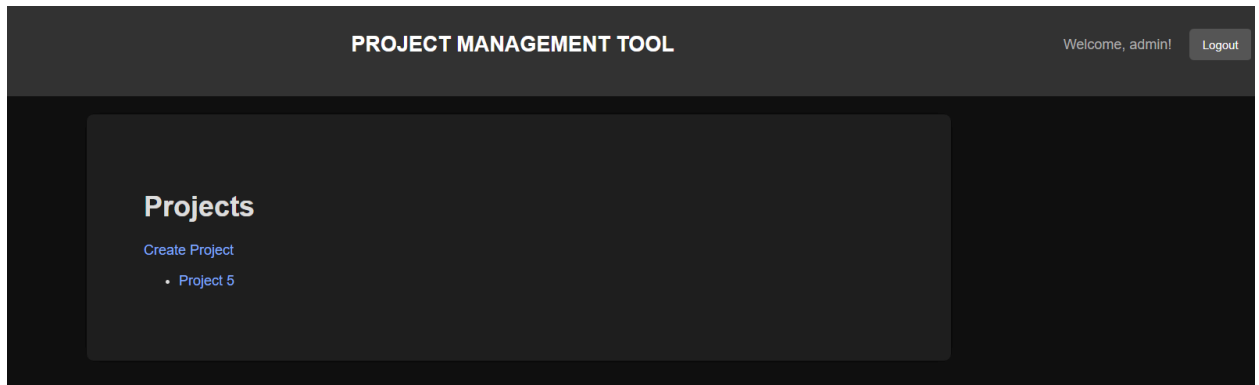

```
PS G:\ProjectManagement> python manage.py createsuperuser
Username (leave blank to use 'asus'): admin
Email address: admin@gmail.com
Password:
Password (again):
The password is too similar to the username.
This password is too short. It must contain at least 8 characters.
This password is too common.
Bypass password validation and create user anyway? [y/N]: y
```

2. Login

The image shows a web-based login form. It has a dark background with a lighter gray rounded rectangle in the center. Inside this rectangle, the word "Login" is at the top in white. Below it are two input fields: "Username:" with the text "admin" and "Password:" with masked characters ".....". A "Login" button is positioned below the password field. At the bottom of the form, there is a link that says "Not Registered? Register here".

3. Admin Home:

4. Only admin can create project.

The screenshot shows the 'Create Project' form. It has a title 'Create Project' in bold. Below it, there are three sections: 'Name:' with a text input field, 'Description:' with a large text area, and 'Assign Users:' with a dropdown menu. The dropdown menu is open, showing a list of users: 'priankamaheru', 'meow', 'Marzan', 'wali', and 'admin'. Below the dropdown, there is a note: '**Hold CTRL and click on Users for multiselection**'. At the bottom, there is a 'Save' button.

5. Admin can add tasks and assign user

PROJECT MANAGEMENT TOOL

Add Task

Name:

Description:

Assigned to:

User:

1. Register user

A dark-themed registration form titled "Register". It contains input fields for Username, Email, Password, and Password confirmation. The Username field has a hint: "Required. 150 characters or fewer. Letters, digits and @/./+/-/_ only." The Password field has a list of requirements: "Your password can't be too similar to your other personal information.", "Your password must contain at least 8 characters.", "Your password can't be a commonly used password.", and "Your password can't be entirely numeric." Below the Password confirmation field is a hint: "Enter the same password as before, for verification." A "Register" button is at the bottom, followed by a link: "Already have an account? Go back to login".

Register

Username:

Required. 150 characters or fewer. Letters, digits and @/./+/-/_ only.

Email:
